Welcome to Sheridan's Faculty of Business!

Congratulations on your acceptance to the Sheridan Faculty of Business and the Accounting Program. All of our faculty are thrilled to have you in the program and eagerly await your arrival in January. I encourage you to attend the orientation sessions and to take advantage of the many services that Sheridan has available for you. We offer academic counselling, opportunities for program involvement through many student-run clubs, Peer Supported Learning Groups for First-year students and other Sheridan events to become involved in during your time with Sheridan.

The first week of school will be a very busy time for everyone and will involve all sorts of tasks, not the least of which will be visiting the bookstore in person or on-line to purchase your text books. I would like to draw your attention specifically to the Accounting 1 course (ACCG16971) textbook. ACCG16971 is required for ALL first year students in ALL majors. However, **Accounting** majors, specifically **Business – Accounting, Business Administration – Accounting and Business Administration – Accounting Co-op** students enrolled in Accounting 1 will be required to purchase a custom Sheridan Accounting 1 (with Connect) text published by McGraw-Hill Ryerson. The cover is green and has a picture of a Sheridan building on it.

Students enrolled in other Business programs such as Marketing, HR, Finance, etc., will be required to use a different text book.

I caution you to examine the accounting text book carefully when you are making your purchase to ensure that you have the correct Custom Sheridan text book for the **Accounting** program.

Should you have any questions, please do not hesitate to contact me at:

Looking forward to meeting you in January,
